BJH Weekly Practice Record

Directions: You must practice for a *minimum of 2.5 hours, five days per week* for full credit. Each practice record is worth a total of 25 points—5 points for each half hour you practice. If you do not practice on five separate days, 5 points per day will be deducted for each day under five. Fill in assignments for the week on the lines at the top (written on the board every week). Fill in the dates on the left hand side. Fill in **exactly** what you practice under “What I Practiced.” Fill in the number of minutes practiced under “How Long.” At the bottom, complete the total minutes for the week and have a parent sign. No signature equals zero credit. Don’t forget to fill out the Practice Reflection on the back side of the paper. This practice record is due **every Monday** by the end of the period. If you forget to turn in your practice record on Monday, you may turn it in before the end of the week for half credit. Practice records turned in any later will receive zero credit.
